

PINK TARGETS ARE NOT JUST FOR FUNDRAISERS ANYMORE!

Ever wondered what a Pink Top clay target would look like on a field or course with a challenging background?

You can stop wondering now!

Due to the overwhelming number of requests for the pink target to be a part of our regular White Flyer Target lineup, we now offer a Pink Top Pitch (PTAA) and a Pink Top Pheasant/Sporting Target in a 108mm configuration that can be used at your local range for Skeet, Trap and Sporting Clays.

Proudly manufactured in the United States at White Flyer's four target plants, our Pink Top Targets offer maximum visibility against all sorts of backgrounds, while undergoing the same 27 Step Quality Assurance process that all White Flyer products are required to pass.
